PUBLIC HEARING - 11:10 A.M.

The Town Clerk submitted affidavits of posting and publishing resolution Calling Public Hearing in the matter of revising Ordinance No. 7 to be known as "Ordinance Regulating Peddlers and Solicitors" and repealing Ordinance No. 7 known as the "Peddlers Ordinance."

The affidavits were ordered filed.

Supervisor Vojvoda thereupon declared the Hearing open and asked anyone wishing to be heard in favor of or against the aforesaid matter to so speak.

Mr. Robert Stivers, Riverhead, N. Y., made objection to the wording "permanent store building" as contained in 2. Definition - (a) Peddler, as being discriminatory, and made inquiry if insurance agents, Avon, home deomonstration parties, roofing and home improvement salesmen were proper business men.

PUBLIC HEARING - 11:10 A. M. continued:

Town Justice Costello replied saying; "Mr. Stivers, the intent of this ordinance is to exclude non-residents, hucksters who are non-residents and who come around from door to door selling their wares without a permit. This is for the protection of the residents of Riverhead. Now the particular one you are complaining about is an insurance agent. Every insurance agent has an office in Riverhead and does business in Riverhead the same as a retail store. A peddler is one whose office is in his hat and is not a resident of the Town of Riverhead and we are excluding this type of person:

Mr. Stivers also objected to the wording "permanent store building" as contained in (b) Solicitors, for the reason that a home is also a structure and he believes that a person has a right to sell something from his home.

Mr. Stivers requested the word "store" be stricken out and stated that with the exceptions he has noted he realizes the purpose of the ordinance has good intent.

Mrs. Patricia Tormey cited an incident where it was determined that a purchase of strawberries from a local farm stand were not locally grown but actually came from New Jersey and stated that she would like it to be restricted to almost entirely to local products.

Police Chief Grodski requested that some restriction be made concerning non-residents who solicit for Journal Ads, also that the ordinance as written does not restrict soliciting by telephone.

Town Attorney Shepard M. Scheinberg commented that both farmers covering house to house and on their own property and the seasonal farm stand is covered and that a farmer from Brookhaven could come to our town and go door to door and he would be exempted.

Justice Costello stated that it applies only to resident farmers and the farm would have to be located in the Town of Riverhead.

No one else wishing to be heard and no communications having been received thereto, Supervisor Vojvoda adjourned the Hearing to October 17th, 1967 at 11:10 A. M.

PUBLIC HEARING - 11:30 A. M.

The Town Clerk submitted affidavits of posting and publishing resolution Calling Public Hearing in the matter of proposals to revise Ordinance No. 29, known as Ordinance Restraining the Running At Large of Dogs and to repeal the existing Ordinance No. 29, known as Ordinance Restraining the Running at Large of Dogs.

The affidavits were ordered filed.

Supervisor Vojvoda thereupon declared the Hearing open and asked anyone wishing to be heard in favor of or against the aforesaid proposals to so speak.

PUBLIC HEARING - 11:30 A.M.

Mr. Robert Stivers referred to "Section No. 3-Seizure and Impounding (f) habitually runs or barks at pedestrians or vehicles, and (h) by loud or frequent or habitual barking, etc.," and stated that a dog that barks is probably one of the last resorts we have from scaring away some of these people that we just plain don't want. That a dog barks when he feels someone is hostile and there are a certain group of people that pass his house who badger and taunt the dogs next door and those dogs he is sure,feel in their hearts that they are defending and protecting their master.

Mr. Stivers voiced his objection to the wording and stated that some people who hate dogs can report a dog barking and it may be their fault entirely that the dog is barking.

Supervisor Vojvoda stated that while Mr. Stivers has a point he, however, must disagree and cited an instance where two dogs on Hubbard Avenue constantly run onto the road and chase children or people riding bikes and force them to drive into traffic.

Mr. Henry Fioto, Sr., stated that he owns a dog that is ten years old and this dog has protected his wife all these years. That while the dog has always remained on the premises for eight years when it was tied, he has had to turn it loose so that it could run around and that recently it has taken to running out onto the street when children passing by yell and make a lot of noise and when anyone walks by with a stick, he runs out and makes an attempt to play with the stick.

Mr. Fioto further stated that this dog is muzzled, however, he does run out onto the road and barks and asked if this would be in violation of the proposed ordinance and if the dog could be impounded under this violation.

Mr. Fioto further stated that for ten years he has tolerated the complaints of people regarding his dog.

Town Attorney Shepard Scheinberg commented in jest that for ten years the people probably had to tolerate the dog.

There being no one else wishing to be heard and no communications having been received thereto, Supervisor Vojvoda adourned the Hearing to October 17th, 1967 at 11:30 A. M.

PUBLIC HEARING - 11:45 A.M.

The affidavits were ordered filed.

Supervisor Vojvoda thereupon declared the Hearing open and asked anyone wishing to be heard in favor of or against the aforesaid proposal to so speak.

No one wishing to be heard and no communications having been received thereto, Supervisor Vojvoda declared the Hearing closed and re-opened the meeting.
