11. Will the proposed action create a hazard to environmental resources or human health?	<input type="checkbox"/>	<input type="checkbox"/>

**Part 3 - Determination of significance.** The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

- A site plan must be submitted showing the following:
- discharge area;
  - fall out area;
  - spectator viewing area;
  - parking areas;
  - emergency services standby/access;
  - separation distances;

An inspection will be conducted based upon the NYS Fire Code, NYS Penal Law Article 405, and NFPA 1123 & NFPA 1126; Guidelines available upon request

Final "shoot" approval for the fireworks display rests with the Fire Marshal in charge at the display.

# Outdoor Events Public Safety Plan:

Riverhead Town Fire Marshal

NYS Fire Code 403.2 Public safety plan:

403.2.1 Contents.

The public safety plan shall address such items as emergency vehicle ingress and egress, fire protection, emergency medical services, public assembly areas and the directing of both attendees and vehicles (including the parking of vehicles), vendor and food concession distribution, and the need for the presence of law enforcement, and fire and emergency medical services personnel at the event. The public safety plan shall be submitted to the code enforcement official for approval.

Emergency Vehicle Access:

Provide access for Police, Fire and EMS vehicles at all times during event;

- separate roads for emergency responders?
- how will you clear the roads to be used by emergency responders?
- who will meet them and direct them in to the scene?
- access along race course?

Notifications:

Who is responsible for reporting emergencies?

- one person should be designated to report emergencies/call 911 in order to cut down on multiple calls and miscommunication;
- all personnel shall be instructed to whom to report an emergency and how to contact them;
- how do participants/personnel report an emergency?
- how are you going to notify on-site EMS?

Communications:

How will communications be conducted on the site?

- communications between security, EMS, Fire, Police, field personnel, etc?

Coordination:

How are you going to coordinate response between on-site personnel, EMS, arriving fire dept. personnel, police, etc?

Notifying, Relocating, Evacuating occupants:

What are the strategies and procedures for notifying participants

- of an emergency?
- the need to relocate?
- the need to evacuate?

- How will participants be notified?
- How will they be directed?
- Where will they be evacuated to?

Accountability:

In the event of an emergency:

- how will you account for all participants?
- how will you account for spectators?
- Assembly points? Location?

## Site Plan:

The site plan shall show the following details:

- Site access from street
- Emergency access roads
- EMS/Fire staging areas
- Parking areas, tents, buildings, stages, concession areas, vendor areas, race area, etc.
- Assembly points
- Closest hydrants -  
Hazards

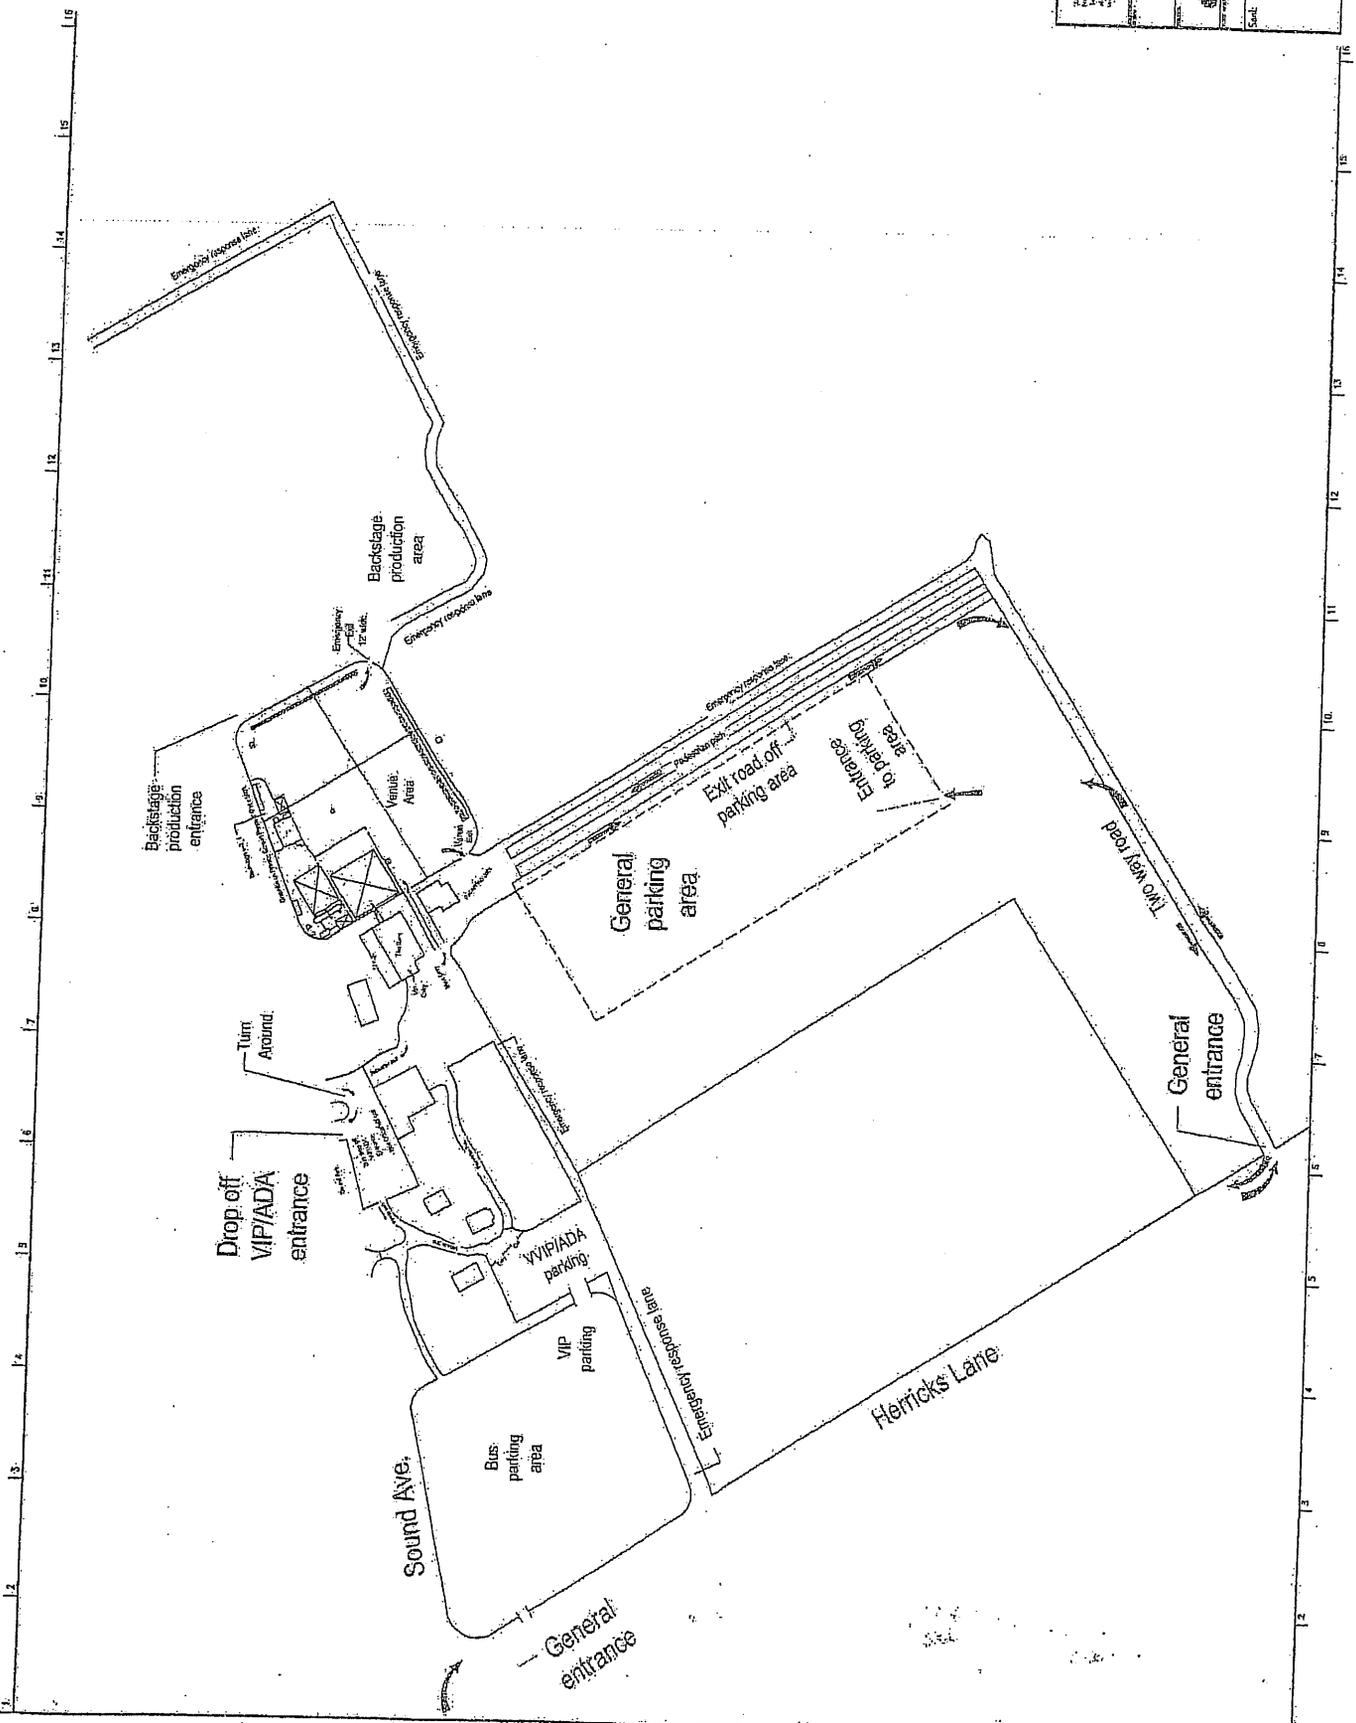

## NOTE:

The local Fire and EMS agencies are staffed by volunteers. They are very busy with their normal response load. If you are planning on using them as part of your Fire & Life Safety Plan, you will need to obtain their approval. Otherwise, you will need to make arrangements with private agencies to provide adequate coverage.

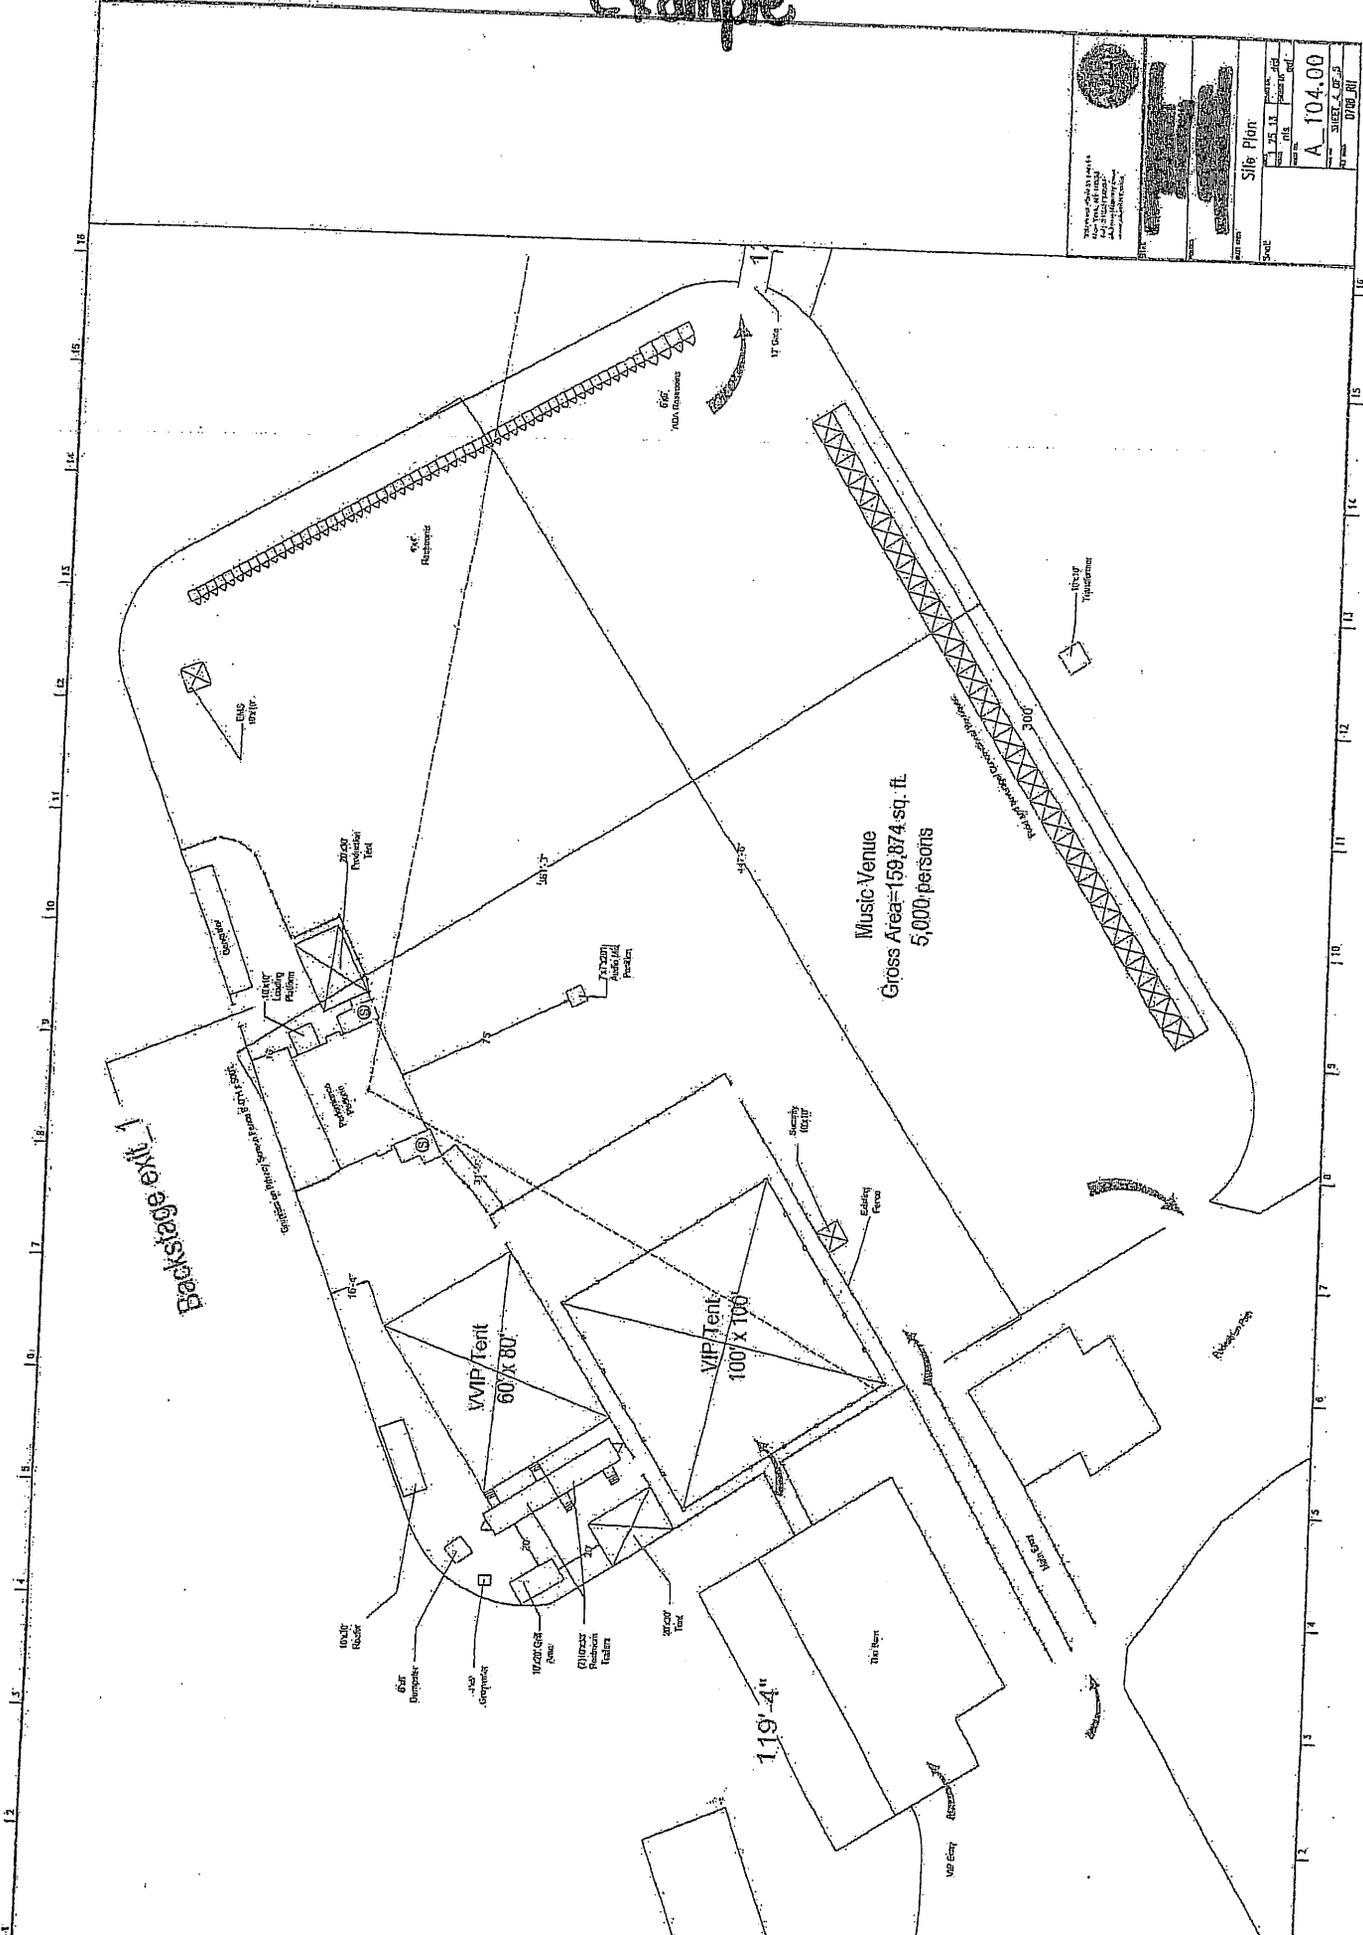

Contact the Riverhead Town Fire Marshal's office if you have any questions.
