**Re: Riverhead Water District
Maintenance, Installation and Emergency Services – RE-BID
Contract D - Distribution
H2M Project No.: RDWD 14-05**

Dear Supervisor Walter:

On Thursday, February 12, 2015, the Riverhead Water District received bids for their annual distribution maintenance, installation and emergency services contract. Three contractors submitted bids, with the low bid being submitted by Bancker Construction Corp. of Islandia, New York. A summary of the bids received is shown below:

Contractor	2015 Bid	2016 Bid	2017 Bid
Bancker Construction Corp.	\$347,265.00	\$357,613.30	\$368,235.15
Elmore Associates, Inc.	\$378,121.25	\$387,243.00	4397,025.75
Roadwork Construction Corp.	\$385,479.01	\$402,835.76	\$420,461.90

Bancker Construction Corp. has successfully completed similar work for various water utilities over the past few years including the Riverhead Water District. Additionally, the bid prices submitted by them compare to projects similar in size and nature. It is our opinion that Bancker Construction Corp. is qualified and their bid prices are fair and reasonable.

It should be noted that this contract is for system maintenance and emergency services. The total bid amounts were used as means of selecting a low bidder. The actual construction value is unknown at this time and will depend on the number of emergency and maintenance situations that occur during the year. Based on this, we recommend that the Town/District award the contract to Bancker Construction Corp. for the 2015 calendar year based on the unit prices submitted in their proposal. The award for the years 2016 and 2017 shall be made separately prior to the start of the respective year if the extension of the contract is deemed to be in the best interest of the District.

Should you have any questions or comments, please contact this office.

Very truly yours,
