Legislative Intent

It is hereby found and declared that the Central Business District of the Town of Riverhead is in need of revitalization and that the Town Board of the Town of Riverhead has adopted a policy of providing for mechanisms which assist in this revitalization. It is further found and declared that the second and third story space have lost and continue to lose retail and office tenants to more modern structures more conveniently situated and that the unused floor space of such buildings constitute a potential housing stock. It is further found and declared that residential uses within the Central Business District contribute to the viability of such Business District and that the provision of an arena for the creation of art and cultural resources together with living accommodations for artists would create a unique environmental for increased investment

Beginning at a point at the intersection of Northville Turnpike and Union Ave proceed in the direction heading Southeast on Union Ave to the intersection of Union Ave and East Main Street ( S.R. 25 ). At this point continue in a Southeast direction along the property line that separates parcels 0600-129-4-14 and 15 and 0600-129-4-18.3 and 18.5 with an imaginary line to the Riverhead Town Line. At this point proceed in a westerly direction following the Riverhead Town Line to Peconic Ave, continue over Peconic Ave still following the Riverhead Town Line in a westerly direction to the Center Drive Bridge. At this point proceed in a Northerly direction to the intersection of West Main Street ( S.R. 25 ) and Court Street. At this point proceed in a Northeasterly direction on Court Street to the intersection of Griffing Ave and Court Street. At this point proceed in a Northwesterly direction on Griffing Ave to the intersection of Railroad Street and Griffing Ave. At this point proceed in a Northeasterly direction on Railroad Street to the intersection of Roanoke Ave and Railroad Street. At this point proceed in a Northerly direction on Roanoke Ave to Northville Turnpike. At this point proceed in a Northeasterly direction on Northville Turnpike to point of beginning.

contributing to the revitalization of the district. It is further found and declared that the legislation governing the alteration of such buildings to accommodate residential use must be more restrictive than statutes heretofore in effect.
