

RIVERHEAD SEWER DISTRICT
Town of Riverhead
4 W. Second Street, Riverhead, New York 11901
(631) 727-3069

**INSTRUCTIONS FOR CONNECTING TO THE
RIVERHEAD SEWER DISTRICT
FOR PROPERTIES WITHIN THE SEWER DISTRICT**

- Submit plans for proposed connection to the Sewer District for approval along with the application fee of \$100.00 made payable to Town of Riverhead. If consulting engineering services are required, we will advise you of any extra costs.
- A letter of sewer availability will be issued only after the plans have been approved.
- An approved drain layer, approved by the Riverhead Town Board for the Riverhead Sewer District, is the only contractor permitted to install sewer lines in the Riverhead Sewer District. A list is available upon request from the Sewer District Office, the Town Clerk's Office or you may find it on the Town's website at: www.townofriverheadny.gov under Sewer District.
- The approved drainlayer will then submit a connection application for a permit. The permit fee is \$10.00.
- The installation of the sewer line must be inspected by the Riverhead Sewer District. The inspection fee is .75 cents per linear foot.
- There is a connection fee of \$10.50 per gallon based on daily flow using Suffolk County Health Department standards.
- A connection letter will be issued only after all of the above work has been completed and all fees paid.
