Dear Residents,

The Town of Riverhead Recreation Department would like to wish you and your family a Happy & Healthy New Year! We are also proud to announce our "new look" Recreation Brochure should have arrived in your homes by now!

In effort to enhance your Recreation experience, we have streamlined our brochure to make it more user-friendly and environmentally conscious. This colorful catalog will be accompanied by a new Recreation software system and online webpage. Click the link below to view an online copy of our 2013 Winter Brochure:

Our software system will be up and running at the start of the new year with our webpage following soon after. However, there are some important items we must share with you to make this transition smooth.

- We are requiring everyone to register in-person at the Stotzky Park Recreation Office, for their first program in 2013.
- Residents must bring proof of residency to qualify as a town resident for programs (driver's license, vehicle registration, tax bill, utility bill, etc..)
- Online and Phone registration will not be available until February. All registrations MUST be done in person, in January.
- Online Registration will not be available to anyone who has not setup an account in person.
- We will extend the Recreation Office business hours throughout the month of January. (click the link below for extended hours)

We appreciate everyone's feedback as we transition to these new systems and thank you for your patience in advance.

Sincerely,

Raymond Coyne  
Superintendent of Recreation  
Town of Riverhead Recreation Department.
