Supervisor's Statement Regarding Governor Cuomo's Tax Relief Plan

Riverhead, NY – “Governor Cuomo has recently announced details of a more than \$2 billion tax relief proposal. It is my pleasure to stand in support of the Governor’s proposal as this is designed to grow our economy and to offer help to our taxpayers.

As the Supervisor of the Town of Riverhead, I appreciate Governor Cuomo’s commitment to tax reform. The Governor’s efforts of providing property tax relief for New York homeowners as well as businesses can enhance the State's economic competitiveness thereby increasing economic development opportunities right here in the Town of Riverhead. This can attract new businesses to our town and help grow existing ones by creating more jobs for our residents.

I look forward to continuing to work with Governor Cuomo to help lower taxes for New Yorkers and to build a more friendly business climate for our local job creators.”
