ORGANIZATIONAL MEETING FOR HELICOPTER/SEA PLANE NOISE TASK FORCE

Riverhead, NY - On Wednesday, June 29th, 2016, Councilman Tim Hubbard will host an organizational meeting for the purpose of creating a Riverhead Town Helicopter/Sea Plane Noise Task Force to address the current flight patterns and quality of life issues presented by the increased air traffic of helicopters and sea planes over the Town of Riverhead.

The meeting will begin at **7:00 p.m.** in the Riverhead Town Hall Board Room at 200 Howell Avenue, Riverhead. All are encouraged to attend.

“The Town of Riverhead has been inundated with helicopters and sea planes that are NOT abiding by the recommended flight patterns and altitude guidelines,” said Councilman Hubbard. “I feel the need to organize and gain a large voice to let our state and federal elected officials, along with the FAA, know that enough is enough when it comes to aircraft noise in the Town of Riverhead.”

For further information, please contact Councilman Hubbard’s office at 727-3200 Ext 223.
