**The Riverhead Recreation Department Presents:**

**Riverhead Skate Park Officially Re-Opens Tuesday, September 13**

Councilman Tim Hubbard and the Riverhead Recreation Department announce the re-opening of the Riverhead Skate Park. The gates will be unlocked Tuesday, September 13 at 3:30pm and will remain open indefinitely.

The Town of Riverhead has spent over \$60,000 to repair the (73) boards that left the park closed since 2015. In order to open the park, the town will temporarily close off the ramps containing the remaining (64) damaged boards. The remaining boards will cost an estimated \$70,000 to complete. At this time the town does not have the funds to complete the renovations and have discussed scaling down the park. The overall plan is to add Pickle-ball courts in the area where the damaged boards currently sit. The park will temporarily open until the final repairs and changes are made.

For more information please contact the Riverhead Recreation Department at (631) 727-5744.

Sincerely,

Raymond Coyne  
Superintendent of Parks and Recreation
