SUPERVISOR ANNOUNCES THE RELEASE OF THE TOWN OF RIVERHEAD 2017-2018 SENIOR CITIZEN RESOURCE GUIDE

June 26, 2017

Riverhead, NY – Supervisor Sean Walter is pleased to announce the publication of the Second Edition of the Town of Riverhead **Senior Citizen Resource Guide** is now available to all Town of Riverhead residents. This resource guide has been printed as a service to our community providing a comprehensive collection of resources geared towards the needs of our seniors and their caregivers.

The **Senior Citizen Resource Guide** serves as a vital tool designed to provide an easy reference to a wide variety of information for our town's senior citizen population. It includes programs and services with federal, state and local resources that address areas of need, often at little or no cost.

Supervisor Walter said, "I believe it is so important for seniors to be informed of the benefits and entitlements they have earned throughout their lifetimes, as well as ways to increase their quality of life. That is the goal of all who contributed to this new and expanded Second Edition - to ease the challenges they or their loved ones may be experiencing." He added, "I would like to express my sincere appreciation to the members of the Senior Citizen Advisory Council who compiled the information and whose hard work and expertise are evident throughout this resource guide."
