A message regarding the loss of Lyle Wells:

The entire community is mourning the loss of Lyle Wells. His commitment to the Town he lived in was evident in all that he did. In addition to serving for more than ten years as a Riverhead Planning Board member, he volunteered his time to serve on the Town's Farmland Task Force, the Agricultural & Open Space Committee, the Farmland Preservation Committee and the Comprehensive Economic Development task force just to name a few. Mr. Wells was also instrumental in assisting the Town with drafting our Transfer of Development Rights program. The Town of Riverhead lost a man that dedicated his life to making sure that farming was not only part of Riverhead's past but would also be a part of this Town's future. On behalf of the Riverhead Town Board, town staff and the residents of Riverhead, I wish to extend our sincere condolences to his loved ones. We will forever be grateful to Lyle's dedication to the place we all call home.
