Community Awareness Information from the Riverhead Supervisor and Riverhead Police Department

An unsanctioned protest in memory of George Floyd will be held Saturday, June 13, 2020 commencing at 12:00 pm along County Route 58 near the traffic circle. We are unsure how long this event will last. The leaders of this event have assured a peaceful protest.

Please be advised that while the majority of the protests have been peaceful, there is a possibility of community disruption. We have contingency plans in place. The safety of our residents, businesses and visitors are our paramount concern.

We are advising businesses, visitors and residents to be cognizant of this event.
