PLANNING DEPARTMENT**
201 HOWELL AVENUE, RIVERHEAD, NEW YORK 11901-2596
(631) 727-3200 Ext 240

Subsequent to site plan approval and issuance of a building permit, it is the obligation of the applicant to arrange for site plan inspections upon the installation or construction of each of the following: (1) Drainage inspection prior to backfill (2) grading and site improvements prior to the first lift of paving (3) after first lift of paving and (4) post construction prior to issuance of a Certificate of Occupancy. An inspection fee of \$250 per inspection must be paid prior to each inspection.

Inspections (1) and (2) and (3) and (4) require the submission of a check or money order for \$250 payable to the Town of Riverhead and submitted to the Planning Department before the inspection will be done. All inspections are arranged through the Planning Department and require the completion of this form.
