Dear Sir:

Lottie Kruk, in applying for labor  
certificate presents certificate from School, as regards  
satisfactory attendance, but has no pass port baptismal, nor  
birth certificate. She was born abroad, and cannot  
furnish these certificates, therefore you will kindly take

where born etc., and return same to me for filing. I am  
satisfied that she is fourteen years of age. She can read  
and write correctly simple sentences. She has reached the  
normal development of a child of her age, and is in sound

health and is able physically to perform the work she intends to do.

Very truly yours,
