Minutes of a meeting of the Town Board held on January 19, 1944 were read and on motion and vote were duly adopted.

A communication was read from the Riverhead Firemen's Association in regard to the use of the Fire Hydrants located at Roanoke Heights outside of the Riverhead Fire District. The matter was referred to Justice Smith and Town Attorney Lundberg.

A communication was read from the Commissioners of the Riverhead Fire District in regard to the use of the Fire District's Resuscitator in the event of a call out of the District. It was the opinion of the Board that they had no jurisdiction over the resuscitator and therefore it was up to the Board of Fire Commissioners to make their own rules and regulations.

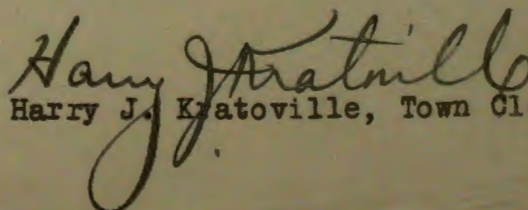

A communication was read from Mr. Franklin H. Young offering to sell a parcel of land adjacent to the Town Dump. The matter was referred to the Highway Committee and the Supt. of Highways.

Forrest G. Downs, Rec. of Taxes, submitted a report of the amount of taxes collected as of February 1, 1944 and on motion and vote was accepted and ordered placed on file.

The Police report for the month of January 1944 was submitted and on motion and vote was accepted and ordered placed on file.

The Town Board then convened as a Board of Audit and examined the bills for the month of January 1944.

There being no further business on motion and vote the meeting adjourned to meet on Monday, February 14, 1944 at 2:00 P.M.
