Project Description:

The Department has made a tentative determination to modify an existing State Pollutant Discharge Elimination System (SPDES) permit for the facility known as the Calverton Enterprise Park, formerly known as the Naval Weapons Industrial Reserve Plant (DEC No. 1-4730-00013/00034). This permit covers multiple outfalls discharging to surface waters and groundwater. These discharges include a variable amount of treated process and sanitary wastewater from an existing sewage treatment plant to the Peconic River by way of McKay Lake, stormwater runoff and non-contact cooling water from four additional outfalls to an unnamed pond, and stormwater and non-contact cooling water from seven outfalls to groundwater. The modification involves the elimination of sampling and monitoring requirements for several organic compounds which are no longer produced due to the cessation of most industrial activity at the facility. The site is located in Calverton, Town of Riverhead.

Notwithstanding anything to the contrary contained in this License, Licensor shall have the right, exercisable in its sole discretion, to terminate this License effective immediately upon written notice from Licensor to Licensee, if (i) Licensee shall default under or be in breach of in any of its obligations, representations or warranties hereunder and (ii) such default continues for (x) five days after written notice from Licensor with respect to monetary defaults or (y) thirty days after written notice from Licensor with respect to nonmonetary defaults. If Licensor shall so terminate this License, from and after the termination date neither party hereto shall have any rights or obligations hereunder other than those that, pursuant to the express terms hereof, survive termination of this License; provided that Licensee shall remain liable to Licensor for any default or breach by Licensee that occurred prior to such termination. Furthermore, this License is not, and shall not be construed to be, a lease or a sublease and nothing contained in this License shall be construed as granting to Licensee any interest or right as tenant or subtenant or any other interest or right other than the interest of a Licensee in accordance with the terms and provisions hereof.

3. CONDITIONS OF LICENSE PREMISES. Licensee agrees to accept the License Premises "as is," and Licensor shall have no obligation to perform any work or repairs on behalf of Licensee. Licensee acknowledges that no representations with respect to the condition of the License Premises, or with respect to any improvement or fixtures thereon or attached thereto, have been made to it. In the event that any items or part of the Calverton Site shall require repair, rebuilding or replacement resulting from loss or damage, the risk of which is assumed under this Section 7, Licensee shall promptly give notice thereof to Licensor and shall, upon demand, either compensate Licensor for such loss or damage, or rebuild, replace or repair the item or items of the Calverton Site so lost or damaged, as Licensor may elect. In the event Licensee shall not have been required to effect such repair, rebuilding, or replacement, and the insurance proceeds allocable to the loss or damage that has created the need for such repair, rebuilding or replacement have been paid to Licensee, Licensee shall promptly refund to Licensor the amount of such proceeds.

(e) Without limiting the generality of any other provision of this Agreement, Licensee hereby covenants and agrees that Licensee shall provide ample vehicles, personnel,

the License Premises and take possession of or dispose of any property at the License Premises; all at the cost and expense of Licensee. Except as provided in Section 2, in no event shall Licensor have the right to enjoin Licensee's performance of the Uses.

10. INDEMNITY. (a) Licensee shall indemnify and hold Licensor harmless from and against any and all claims, actions, liabilities, losses, damages (including, without limitation, consequential and special damages), costs and expenses (including, without limitation, court costs and reasonable attorneys' fees and expenses) arising from or in connection with (i) the use or occupancy by Licensee of the License Premises during the term hereof, or (ii) any work or thing done or any condition created by or any other act or omission of Licensee or its employees, agents, contractors, visitors or licensees, in the License Premises or any other part of the Calverton Site in connection with Licensee's use of the License Premises, or (iii) Licensee's failure to perform any of the obligations imposed on it hereunder:

(b) The foregoing indemnity does not include any claims, actions, liabilities, losses, damages, costs and expenses resulting from Licensor's gross negligence or willful misconduct.

Licensee agrees to indemnify and hold Licensor harmless from and against any and all loss, liability, damage, cost and expense (including, but not limited to, court costs and reasonable attorneys' fees and expenses) which Licensor may incur or sustain in connection with any claim or action by any broker or finder that may be asserted against Licensor as a result of any conversations, correspondence or other dealings between Licensee and such broker or finder.

13. HAZARDOUS SUBSTANCES: (a) Generally, Licensee shall not generate, store, manufacture, refine, transport, treat, dispose of, or otherwise permit to be present on or about the License Premises, any Hazardous Substances (other than Hazardous Substances (x) customarily used in events such as the Event and (y) used, stored, transported, and disposed of in strict compliance with applicable law). The foregoing indemnity shall survive the expiration or sooner termination of this License.

14. CROSS-DEFAULT: To the extent that the Licensor and the Licensee are parties to any other similar agreements, any default under such similar agreements shall be deemed to be a default under this License, and any default under such similar agreements.

15. MISCELLANEOUS: (a) Merger: All prior understandings and agreements between the parties with respect to the subject matter hereof are merged within this License, which alone fully and completely sets forth the understanding of the parties with respect to the subject matter hereof.
