Re: BID #MOW-2016

To Whom It May Concern;

Please be advised, regarding the "rear window access" line item of bid specifications, the "LowBoy" model body currently being used by the Town of Riverhead is no longer in production.

An O.E.M. back-up camera will be installed on the rear of the current HotShot body to assist in backing safety.

The remainder of the bid is completely compliant.

Regards,

A handwritten signature in black ink, appearing to read "Gary Sample", with a long horizontal line extending to the right.
